

QLD TMAA FUNCTION

DATE: FRIDAY, 15TH DECEMBER 2023

Comedy Magician Christopher Wayne, is the creator and co-star of the biggest touring Australian magic show in history "The Naked Magicians".

His unique blend of mind-blowing magic and cheeky comedy has seen him perform in over 300 cities around the world, including a residency in Las Vegas, a season on Broadway, and season on London's West End!

Returning to Brisbane in 2020 (pandemic), Christopher now performs across Australia - bringing his FULLY CLOTHED comedy magic show to theatres and special events alike.

Mike Tyler is an amazing comedy magician ideal if you're looking to add something special and memorable to your next corporate event or private function. He is a skilled and experienced magician, mentalist and hypnotist who brings new appeal, creativity and a modern approach to the art. He doesn't just perform tricks, instead he combines personality, humour, stage presence, and sleight-of-hand skill to create an engaging EXPERIENCE to any event.

Mike is a full-time Brisbane Magician who has performed in over 300 cities across 12 countries, headlining comedy festivals and starred on London's West End. In early 2019, his show for which he was the co-star and co-creator, became the first Australian magic show in history with a residency performing nightly in Las Vegas! Over 75 million people have witnessed his primetime TV appearances in Australia, America, Canada, and the UK, including America's Got Talent and Entertainment Tonight. Mike performed a 20-city ticketed theatre tour in USA in Jan-Mar 2020 prior to returning home to Brisbane due to Covid19. Despite being based in Brisbane, he is often booked by some of the world's most successful companies, professional sporting teams, government organisations, and charities. Available for events locally, around Queensland, and also interstate (border restrictions pending). He is guaranteed to impress!
